

### Authorization and Consent to Investigation of Child Abuse Involvement and/or Convictions

I understand that in connection with the application process, Fourth Presbyterian Church may request information from my past employers, educational institutions, personal references, and any public or private agencies that have issued me either a professional or vocational certification or license. I also understand that such investigation may include a review of my credit history and any criminal records. I have provided complete and truthful information to Fourth Presbyterian Church regarding all sources of information about my past employment, education, licensure, certification, criminal conviction record, as well as any other information requested in the employment application. I have been fully informed that any misrepresentations or material omissions concerning such information will be grounds for denying my application, withdrawing any offer of employment, or discharge. In order to assist in obtaining documents and information to confirm my background, I hereby consent to the release of information.

I authorize and consent to Fourth Presbyterian Church's thorough investigation of whether I have been indicated of being involved in any aspect of child abuse if so, the nature of the circumstances available through lawful means. A background check will focus on convictions or any involvement in child abuse. A criminal record will not necessarily disqualify me from employment.
